REFERENCES

- “Katie (our ResMate AI leasing assistant) made getting through this leasing season manageable. Not only are we 97% leased for the first time in years, we were able to turn off our Google advertising! Using ResMate has been a real game changer for us.”

— Metropolitan Management
- “The Respage Smart Leasing Platform has been a game-changer for us. Its intuitive interface and powerful AI-driven features have streamlined our leasing processes, leading to increased efficiency and significantly reducing the number of messages and calls our staff has to personally manage. We look forward to continuing our partnership with Respage and exploring the future innovations they have in store.”
